#### PRESIDENT'S MESSAGE:

First of all, the officers of the FCA would like to thank the Gateway Chapter for hosting the super 11th National Meet in St. Louis. There were 197 registrations, 136 cars, 19 swap meet spaces, 21 Chapters represented, and 339 at the banquet.

We had a good business meeting, with Bronson Netterville, our editor, talking about possibilities for The Falcon News; and Rich Tribout, Gateway Chapter president, talking about our National meet. We now have a newsletter committee, consisting of Vice-President Marty Martin as chairman, Jim Throgmorton, and Steve Springer; so if anyone has comments or suggestions to help out, please feel free to contact one of these or the Editor. If you have articles or pictures, please send them to the editor for The Falcon News.

Don't forget to mark your calendar for the 2nd annual Eastern Regional meet in Toms River, NJ September 14-15; and the Fall Regional meet in Hot Springs, AR October 26-27.

If anyone needs any help of any kind concerning the FCA, please contact your regional director or officers. They are here to help us all out.

Thanks.

--Jim Hatcher, President, FCA

#### VICE-PRESIDENT'S MESSAGE:

First of all, thanks to Rich Tribout and ALL the Gateway Chapter for the tremendous job done in presenting the 1990 National Convention. The organization and preparation was second to none. Those who were unable to attend missed one of the best ever.

Secondly, thank you all, for the vote of confidence in electing me as Vice-President of the Falcon Club of America. It is an honor to serve in this capacity, and for the coming 12 months my promise is to give you all 24 months of service and dedication.

Thank you.

--Marty Martin, Vice-President, FCA

#### ON THE COVER:

New to the National meet this year was a Masters Class. Some of the class entries are shown in the cover photo. The 67 Sport Coupe at the right, belonging to Don Anderson, was the Best of Show 1st place winner.

#### FROM THE CLUB STORE MANAGER:

Dear Falcon Club Members: As the new manager of the Club Store, I would like to ask all of you for your suggestions. If there are items we do not stock, or colors, sizes, etc. you need, please forward your ideas and needs. This store is for all of you. We can only grow and improve with your help. Bonnie Stringer

#### FROM THE EDITOR:

We had a very fruitful conversation with the Board of FCA at the National Meet in St. Louis, as to ideas and priorities for The Falcon News. Recognizing that space available, ads, deadlines, and finances all affect the composition of each issue, we began a discussion of priorities of content. We agreed that it would be good to have a committee (as noted in the President's Message elsewhere in this issue) to assist the Editor with ideas and priorities. We covet any input you have as to what you deem to be most important.

The Editor noted that there has been some confusion as to the target date for members to receive The Falcon News. As a result, it was agreed that it would be most desirable for members to receive their copies by the first of the month. However, this necessitates advancing the copy due date requirements. The consensus was that the copy due date be moved to the first day of the month preceding date of issue. We will begin working on this revised schedule for the November issue. Please remember that the copy due date is when the copy should be in the Editor's hands. So, for the November issue copy needs to be received October 1. We hope this will help. We do know that any date set may not be the best for everyone.

We request those submitting Classified Ads who may wish them run more than one issue to resubmit each month to avoid advertising an item already sold. Thanks for your understanding on this.

The Editor appreciates the articles and pictures which you send. We have several on hand, and will use them as we have space (the right to edit your submissions for space is reserved). Do send in your articles and pictures!

Calendar dates should be sent at least three months in advance. All items for the Falcon News should be sent to the Editor's address: 6621 Highway 100, Nashville, TN 37205-4226.

We thank you for your interest.--G. Bronson Netterville, Editor

To Those Who Know Me:

I love you and the Club very much. Unfortunately, health problems make it necessary for me to resign. I regret not being able to stay with you all the way through the Convention. Good Bye.

## CHAPTERS

**THE KEYSTONE CHAPTER** reports that 37 Falcons were at Das Awwskht Fest at Macungie, PA in August. The Mason Dixon and Northeast Chapters were also represented. As of August 5, the chapter had 78 members. There were 20 Falcons at the May meet, and 18 Falcons at the June meet. The chapter is eagerly looking forward to the Eastern Regional Meet in September.

**THE LONE STAR CHAPTER** met in July at the beautiful home of Isaac Holmes. Homemade ice cream was served during a pool party. The business meeting included a decision to organize a caravan to the National Meet in St. Louis. The chapter said "we will be there," and they were.

**THE MASON DIXON CHAPTER** reports that about 400 cars were at the June car show in Chantilly, VA, with 20 being Falcons. The chapter reports that the show hosts (the George Washington Chapter of the Model A Club) was most impressed with the turn-out of Falcons and the great condition of them. 40 members and guests attended the July picnic. Glenn Kuhn arranged a 7-car convoy of some of his cars. Wiley Harvey set things up. A pot-luck picnic is scheduled for October.

**THE MID-AMERICA CHAPTER** meets the first Friday of every month at the John Francis Restaurant in Overland Park, KS. Rick Dilks is chapter president. The chapter will be hosting the All Ford Show on September 20 at Olathe Ford in Olathe, KS, from 10 a.m. to 5 p.m. Information is available from Rick Dilks at (913) 294-2599.

**THE MILE HI CHAPTER** together with guests from the FOMOCO Club and others, held a caravan tour to the Air Force Academy in June for the annual Sunday Breakfast Brunch. Paul Garrigan held a Skill Driving Challenge which provided a lot of good humored ribbing by the audience. Paul had planned about 10 precision, accuracy, and measured events that the men and women competed in for a cumulative point score. Trophy winners were Jan Brown and Lee Dalton. The family summer picnic was held in July.

**THE NORTHWEST CHAPTER** has had an outstanding relationship for several years with the Lower Mainland Falcon Association from British Columbia in Canada. We keep in constant contact, often exchanging information or parts. Sometimes they have parts we can't get and sometimes we have parts that they can't get. Rick Farmer and his members have an outstanding variety of Falcons in almost every body style. Our Canadian friends joined us for our Northwest Chapter picnic and we were invited to theirs. We had lots of good food, trophies, prizes, and good fellowship. Jim Frey is our "ambassador" and does an excellent job in keeping both clubs in tune with each other. We believe it is a real plus having this international relationship and both clubs are richer for it.

**THE SOUTHEAST CHAPTER** attended an All Ford who in Monroe, GA in May. There were 75 cars entered. Tommy Owens was chosen as the Dealers Choice Best of Show. Other winners were: Perry Goss, Tommy Owens, Don Anderson, and Leon Goddard. All enjoyed the fellowship of chapter members and members of other car clubs.

**POSSIBLE MICHIGAN CHAPTER**--Recently interested persons gathered with their cars for a gathering of those interested in a possible new Chapter. 18 Falcons were present. Ken and Dottie Kowalk drove from Eaton Rapids for the gathering (Ken is an FCA board member). No chapter was formed but a fall gathering in Lansing is tentatively scheduled. There was a pot-luck meal. Leo and Sandy Chouinard of S. Lyon were the first to arrive with a car (a bright yellow Econoline). The oldest Falcon present, a 61, belonged to the youngest person present, Missy McKivitz, who also came the farthest, over 100 miles. This was the third meeting in 13 months, and all enjoyed being together.

Some of the Falcons at the Michigan gathering are seen here. There were 13 present in addition to the ones seen here.

## Short Takes

**WANT TO BUY A NEW FALCON?** Australia is the place. Ron Grant, a former FCA member now living in Australia has sent ad clippings of Falcon GL Sedans priced at \$19,990. He reports that the Falcon is the biggest seller in Australia, and that "tons" of old ones are still on the roads there. He notes that the styling is more like the current Taurus but that they are still based on the USA Falcon floor pan. Ron says "no more snow shoveling for me." Ron also sent a clipping of the 60 XK Falcon owned by John Toonen in Australia, which is thought to be the oldest privately owned Falcon in Australia. This car was the first automatic Falcon released in Brisbane.

**FCA MEMBER LARRY FORCE** had his 64 Sprint Convertible featured in the June issue of "Mustang Illustrated." The car originally purchased by pro football star Don Meredith. The car has been completely restored.

**THE STORK WON THE RACE WITH THE FALCON** but all was well! Rainer Hantschel sent a clipping from the Denver Post telling the story of the birth of Lisa Marie Hunt, who was born in the back seat of her grandmother's 65 Falcon last May. Kirsten Brusatto-Hunt woke her husband Jim at 3:10 a.m. and said it was time to head to the hospital. Hunt's pickup wouldn't start, so he called his mother, who picked them up in her Falcon. A mad dash to the hospital found the stork winning just before they arrived at the hospital. Lisa Marie weighed in at 6 pounds 3½ ounces.

**THE KANSAS CITY STAR** ran an article on Falcons when the FCA National was in Overland Park in 89. Cars owned by David Kile and Jim Hatcher were featured in the article. Last May, the paper ran a feature concerning FCA member Rick Dilks and his restoration work on Falcons. Rick's first Falcon was a Futura with a factory installed vinyl roof. He still has it, and it is noted that it is only one of six of that model still existing with the factory vinyl roof.

This 64 Falcon convertible belongs to Edward A. Marks. He is the third owner, having bought it in 1973. Mr. Marks did all the restoration work himself, with the body work done professionally. Mr. Marks reports that his most recent restoration project was a joint venture with his son, restoring a 1940 John Deere Model H tractor.

Lined up at Falcon Stadium, Air Force Academy, Colorado Springs, CO, are Falcons of the Mile Hi Chapter with guests from the FOMOCO Club.

Tony Kiliszewski, Rockford, MI, is the owner of this 62 Sedan Delivery which he began to restore in 1987. The restoration is now almost complete, with finishing touches being put to the interior. The color of this car is Sunburst Red Candy Lacquer over Harley Davidson Silver, which really glows in the sunlight.

This 70 1/2 Falcon is owned by Steve Heck of Fort Wayne, IN. Thanks to Kenn Putt for sending the picture to us.
